Reviewer: Vaibhav Shekhar Dave

Score: 94

Comments

Goals
Met most of their goals this sprint
Much better performance than last sprint.

Process
Kept the client in the loop about the progress.

Code Quality and Design patterns
Good use of Design patterns especially bridge.
Some of the code requires documentation.
A few code smells detected most of them in test cases.

Demo
Had a functional demo ready before the sprint review.

Task distribution
Please try and distribute tasks evenly amongst everyone in the team.
